Plastics

All of our plastic utensils are made from high-quality plastic.

All plastic utensils are available in black or white and can be printed with our foils or digital printer.*

Our standard includes a one-color hot stamp foil imprint in the price of each utensil. Plastic utensils require a **font minimum of 10 points**, and feature an **imprint area of 1.875" x .5"**.

We will work with you to get your art to fit this sizing standard and include your desired information! Art is accepted as AI, EPS or Vector PDF files.

* Some utensils may not be able to be printed in a specific manner due to the handle type.

8" HD Spoon

Frozen Dessert
Spoon

9" Condiment
Spoon

Wood

Help save the planet with our sustainable bamboo and acacia wood products!

From cooking utensils to bread and carving boards, we have all of your wood needs covered.

All of our wood products include a standard imprint size in the pricing. Our laser requires an eight point font minimum.

Boards have a standard imprint size of 3" x 3". Exceeding this sizing will result in a small additional charge per inch. Serving utensils have an imprint area of 2" x .5" and cutlery has an imprint area of 2" x .25".

NEW

ARRIVAL

We're happy to now offer customized glassware to our services! Available for both digital printing and laser etching, we offer two types of glasses currently.

We can engrave and print other glassware per request.

We now provide both engraving and digital printing for our Stainless Steel, Double Walled Vacuum Insulated Tumblers and Water Bottles!

Contact us for more information on our Event Package Templates - great for events & holidays!

Lid features secure flip top straw and raised ridges for easy opening and closing!

NEW ARRIVAL

The success of our Tumblers led us to expand into new doubled walled water bottles! The screw on lids feature an easy flip top, and rigid straw that can be removed for easy cleaning!

*Available in multiple colors, please contact for more information.
